SUPPLEMENT TO  
STANDARDIZED INTEGRATION/DIVERSIFICATION STATEMENT

SBH Properties, Inc. ("SBH") by counsel herewith submits the following information and requests that the same be accepted as a supplement to its Standardized Integration and Diversification Statement, previously filed in this proceeding. In support whereof the following is shown:

1. On December 17, 1993, the Court of Appeals issued its decision in Susan M. Bechtel v. FCC, Case No. 92-1978. Therein the Court concluded that the Commission's continued reliance upon the integration of ownership into management criterion was "arbitrary and capricious" and, therefore, "unlawful" and ordered the Commission to decide that and other cases "under standards free of the integration preference." (Slip Op. at p. 5). Furthermore, inasmuch as one of Bechtel's primary bases for

challenging the Commission's integration criterion was its application of the Anax Policy, the Court's decision in Susan M. Bechtel may also be read as undermining the Commission's continued reliance upon the Anax Policy. See: Susan M. Bechtel v. FCC, 957 F.2d 873, 879-80 (D.C. Cir. 1992). Thus, both the integration criterion and the Anax Policy appear to have been scuttled by the Court, resulting in significant confusion regarding what, ultimately, will be considered relevant to the standard comparative issue in this and other cases.

2. Accordingly, SBH is submitting the following information regarding the local residence and civic participation of SBH's nonvoting shareholders, J. Kent Bewley and Leonard P. ("Paul") Hite. This information is being submitted out of an abundance of caution for whatever comparative significance it may ultimately have in this proceeding. SBH does not at this time assert that this information is relevant or that it intends to argue that it should be. However, in light of the uncertainty resulting from Susan M. Bechtel, SBH is submitting this information within thirty days of the release of the Court's opinion in that case to assure that it is not subsequently foreclosed from submitting such evidence, which could become relevant, if the Anax Policy is to be eliminated.

3. Kent Bewley, who was born in 1943, is currently and has since childhood been a resident of Greeneville, Tennessee. Paul Hite is a resident of Greene County, Tennessee, and has resided

in Green County between 1927 to 1945 and from 1947 to the present. Each of Mr. Bewley's residences in Greeneville and Mr. Hite's residences in Greene County have been located within the primary service area proposed by SBH.

4. Attached hereto and made a part of this filing are copies of resumes for Mr. Bewley and Mr. Hite, which set forth information concerning their civic participation, all of which has been within the community of license or service area of the proposed station.

5. Finally, it is noted that prior to the deposition sessions in this proceeding, undersigned counsel for SBH provided counsel for Bryan with copies of the attached resumes, accompanied by a memorandum, indicating that in light of Susan M. Bechtel, SBH had no objection should Bryan wish to examine Messers. Bewley and Hite regarding their residences and civic participation. Thus, having been accorded the opportunity to examine Messers. Bewley and Hite regarding these matters, the acceptance of this information would not prejudice Bryan.

Respectfully Submitted
